

# VARIABLE INCLINE CONVEYOR

## VARIABLE ANGLES AUTOMATICALLY 30° to 50°

### THREE WIDTHS AVAILABLE 12", 18" & 24" WIDE

## 2 YEAR WARRANTY

2 year warranty doesn't include conveyor belt because they are subject to damage and abuse by the user.

Automatic spring loaded belt tension adjustment. No manual adjustment necessary.

Safety end caps avoid pinch points.

Stainless Steel parts drop tray optional

Variable height adjustment legs with quick sure-lock bracket and safety pin. Adjusts in one inch increments. No threaded handles to come loose!

Overload protected starter switch with **pilot light**. Switch is centrally located for easy operator access. Extra long 12ft. 16-3 grounded power cord.

Heavy extruded aluminum sides are clear anodized and slotted to accept mounting bolts and allow lateral adjustments.

3" swivel casters with wheel locks.

Beefed-up hinge plate for greater support between base and inclined sections. Adjustable angle 30° to 50° min. & max.

### - IMPROVED BELT -

New heavy 2 ply more costly monofilament continuous one piece belt. This belt offers straight tracking, edgewear characteristics and exceptional transverse (side to side) rigidity. It has 1" high cleats on 18" centers and is USDA & FDA approved. It includes VEE-Guide belt tracking system. No lacing to snag or drag! Cleats are vulcanized in place. No bolts or rivets. (Maximum height for higher cleats is 1-1/2".)

Heavy bedding under belt.

Belt speed: 20 F.P.M.  
Optional variable speed 0-54 F.P.M.

Extra high 3" anodized aluminum siderails to contain larger parts.

Extra high transition plate to contain parts.

3 support legs mounted on side and front of conveyor for support, stability and portability. Conveyor moves easily by one person.

Lower profile hopper for reaching under your machine.

Heavy duty 1/6 H.P. T.E.F.C. motor 120/60/1 runs cooler for longer motor life.

PPE Conveyors are manufactured and sold direct by Plastic Process Equipment, Inc. We are not associated with any other manufacturer except Budget Molders Supply, Inc. Always specify genuine PPE Conveyors. Do not accept substitutes.

Narrow profile hopper for reaching under or alongside your molding machines.

Adjustable Parts Drop Tray and Mounting Brackets optional.
