

3M Scotch-Brite™ INDUSTRIAL HAND PADS

All Pads Are:
6" x 9"
(152mm x 228mm)
8
GRADES
AVAILABLE

3M Scotch-Brite™ Light Duty Cleansing Pad #7445 (White)
With its very mild abrasive, this pad is commonly used with liquid detergents for gentle but thorough cleaning of porcelain, stainless steel, chrome, painted surfaces and glass.
(Tan box/20 pads per box)

Part No. 7445 \$20.54 each box

3M Scotch-Brite™ Ultra-Fine Hand Pad #7448 (Gray)
Use this pad when high conformability and an ultra-fine finish on metals, woods, plastics and composites is required. It's just right for cosmetic cleaning or for creating consistent finishes.
(Blue box/20 pads per box)

Part No. 7448 \$18.06 each box

3M Scotch-Brite™ Light Duty Hand Pad #6448 (Gray)
This pad is more aggressive and less conformable than 7448 and yet gives you an ultra-fine finish. It's ideal for maintenance and repair operations to prepare surfaces for paints, sealers or other coatings.
(Gray box/20 pads per box)

Part No. 6448 \$21.54 each box

3M Scotch-Brite™ General Purpose Hand Pad #7447 (Maroon)
This pad has set the standard for surface conditioning worldwide. In cleaning, finishing, blending and deburring applications, the 7447 hand pad cleans and finishes faster, easier and with better results than conventional abrasives in an unlimited number of applications.
(Red box/20 pads per box)

Part No. 7447 \$18.05 each box

3M Scotch-Brite™ General Duty Hand Pad #8447
Similar to pad #7447, but has a 30% to 50% longer life. Preparation time is also reduced, as it's special mineral content provides a faster cut, not a coarser cut. 6" x 9" pads are perforated to easily tear into two 4 1/2" x 6" pads. (White Box/20 pads per box)

Part No. 8447 \$23.56 each box

3M Scotch-Brite™ Extra Duty Hand Pad #6444 (Brown)
Much more aggressive than 7447, this pad is ideal for tough maintenance and repair jobs since it can remove heavy contaminants and prepare surfaces for coating, painting or sealing. Conforms well to uneven or irregular surfaces.
(Brown box/20 pads per box)

Part No. 6444 \$23.57 each box
