Part No. 7445 . . . . . \$22.92 each box

**Scotch-Brite™ Ultra-Fine Hand Pad #7448 (Gray)**

(20 pads per box)

Part No. 7448 . . . . . \$26.30 each box

**Scotch-Brite™ Light Duty Hand Pad #6448 (Gray)**  
This pad is more aggressive and less conformable than 7448 and yet gives you an ultra-fine finish. It's ideal for maintenance and repair operations to prepare surfaces for paints, sealers or other coatings.  
(20 pads per box)

Part No. 6448 . . . . . \$24.03 each box

**Scotch-Brite™ General Purpose Hand Pad #7447 (Maroon)**  
This pad has set the standard for surface conditioning worldwide. In cleaning, finishing, blending and deburring applications, the 7447 hand pad cleans and finishes faster, easier and with better results than conventional abrasives in an unlimited number of applications.  
(20 pads per box)

Part No. 7447 . . . . . \$26.25 each box

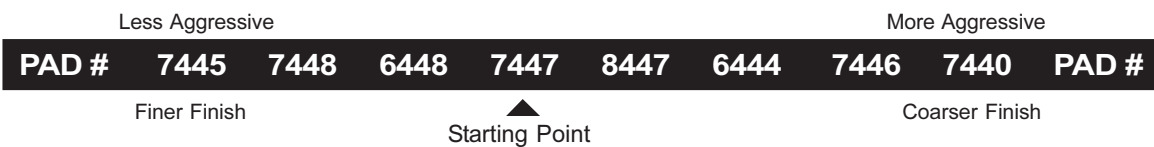

**Scotch-Brite™ General Duty Hand Pad #8447 (Maroon)**  
Similar to pad #7447, but has a 30% to 50% longer life. Preparation time is also reduced, as it's special mineral content provides a faster cut, not a coarser cut. 6" x 9" pads are perforated to easily tear into two 4 1/2" x 6" pads.  
(20 pads per box)

Part No. 8447 . . . . . \$27.57 each box

**Scotch-Brite™ Extra Duty Hand Pad #6444 (Brown)**  
Much more aggressive than 7447, this pad is ideal for tough maintenance and repair jobs since it can remove heavy contaminants and prepare surfaces for coating, painting or sealing. Conforms well to uneven or irregular surfaces.  
(20 pads per box)

Part No. 6444 . . . . . \$26.30 each box
