GREY

Light Duty All Poly Cleansing Pad (White)

With its very mild abrasive, this pad is commonly used with liquid detergents for gentle but thorough cleaning of porcelain, stainless steel, chrome, painted surfaces and glass.

(20 pads per box)

Part No. 1007445 \$15.35 each box

Ultra-Fine Polishing Pad (Gray)

Use this pad when high conformability and an ultra-fine finish on metals, woods, plastics and composites is required. It's just right for cosmetic cleaning or for creating consistent finishes.

(20 pads per box)

Part No. 1057448 \$19.85 each box

MAROON

BLACK

General Purpose Polishing Pad (Maroon)

This pad has set the standard for surface conditioning worldwide. In cleaning, finishing, blending and deburring applications, the 1017447 hand pad cleans and finishes faster, easier and with better results than conventional abrasives in an unlimited number of applications. (20 pads per box)

Part No. 1017447 \$17.35 each box

General Duty Coarse Pad (Black)

Similar to pad #1017447, but has a 30% to 50% longer life. Preparation time is also reduced, as it's special mineral content provides a faster cut, not a coarser cut.

(20 pads per box)

Part No. 1048447 \$16.35 each box
