PROTECTIVE RUBBER BOOT

PPE 323 Series Economy Digital Temperature Indicators are the most rugged, low cost units available anywhere! They feature a High-Impact ABS case and a rubber boot that provides shock-resistance and splash-resistance for tool box durability. To back up that claim, these units come with a 5 year warranty.

FEATURES:

- Rubber protective boot for added durability.
- Uses 3 standard "AAA" batteries.
- High-Impact ABS housing provides shock and splash resistance.
- Fully portable
- Accepts any standard thermocouple probe with mini plug.
