FORMULA:

PPE CITRUS FOAM CLEANER CF-15 is a special cleaner formula which includes a rich foamy d-Limonene (citrus) based cleaner. Citrus Foam Cleaner clings to the surface to attack tough, stubborn stains without runs or drips. It's foaming action covers grease, oil, inks, adhesives, grime, etc. The powerful cleaning agents instantly begin to penetrate and lift-off and eliminate those deposits. You can wipe or water rinse Citrus Foam Cleaner from the surface. It leaves a pleasant citrus scent. If steel molds are rinsed with water we suggest a thorough application of PPE Step One Acid Neutralizer & Step Two Rust Preventive.
