

**Plastic Process Equipment, Inc.**

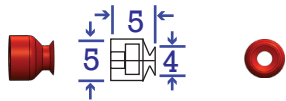

(2) : Vacuum Cups

Material: red-Silicone, black-NBR, blue-Fluorine  
 Max Temp.: 428°F, 248°F, 450°F  
 Durometer: 50, 50, 60

(Shown Actual Size)  
 96 series Flat Vacuum Cups  
 - Compatible with EINS (Star)

969004

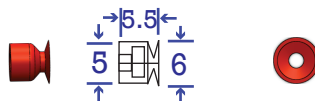

(Wt. : S - 0.2g)

| Cup $\phi$ | Material       | Part#   | Reference |
|------------|----------------|---------|-----------|
| 4mm        | Silicone       | 969004S | VAPH-4M   |
| Holder     | H6-6-6/H6S-8-6 |         |           |
| Adapter    | Micro/M3 male  |         | AH6       |

969006

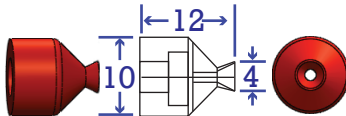

(Wt. : S - 0.3g)

| Cup $\phi$ | Material       | Part#   | Reference |
|------------|----------------|---------|-----------|
| 6mm        | Silicone       | 969006S | VAPH-6M   |
| Holder     | H6-6-6/H6S-8-6 |         |           |
| Adapter    | Micro/M3 male  |         | AH6       |

960004

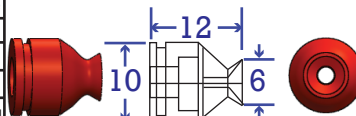

(Wt. : S - 0.4g, N - 0.5g, F - 0.6g)

| Cup $\phi$ | Material                        | Part#   | Reference  |
|------------|---------------------------------|---------|------------|
| 4mm        | Silicone                        | 960004S | VAPH-4C    |
|            | NBR                             | 960004N | VAPN-4C    |
|            | Fluorine                        | 960004F | VAPF-4C    |
| Holder     | H1/8-10-05-30, HCG-1010-30x-AH1 |         |            |
| Adapter    | Mini/M5 male                    |         | AH1, H1-MC |

960106

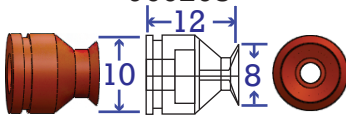

(Wt. : S - 0.6g, N - 0.6g, F - 0.8g)

| Cup $\phi$ | Material                        | Part#   | Reference  |
|------------|---------------------------------|---------|------------|
| 6mm        | Silicone                        | 960106S | VAPH-6C    |
|            | NBR                             | 960106N | VAPN-6C    |
|            | Fluorine                        | 960106F | VAPF-6C    |
| Holder     | H1/8-10-05-30, HCG-1010-30x-AH1 |         |            |
| Adapter    | Mini/M5 male                    |         | AH1, H1-MC |

960208

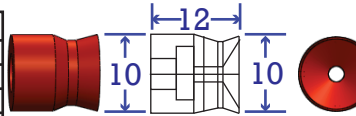

(Wt. : S - 0.6g, N - 0.6g, F - 0.9g)

| Cup $\phi$ | Material                        | Part#   | Reference  |
|------------|---------------------------------|---------|------------|
| 8mm        | Silicone                        | 960208S | VAPH-8C    |
|            | NBR                             | 960208N | VAPN-8C    |
|            | Fluorine                        | 960208F | VAPF-8C    |
| Holder     | H1/8-10-05-30, HCG-1010-30x-AH1 |         |            |
| Adapter    | Mini/M5 male                    |         | AH1, H1-MC |

960310

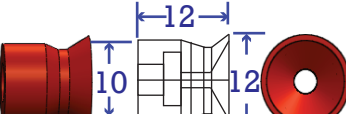

(Wt. : S - 0.5g, N - 0.6g, F - 0.9g)

| Cup $\phi$ | Material                        | Part#   | Reference  |
|------------|---------------------------------|---------|------------|
| 10mm       | Silicone                        | 960310S | VAPH-10C   |
|            | NBR                             | 960310N | VAPN-10C   |
|            | Fluorine                        | 960310F | VAPF-10C   |
| Holder     | H1/8-10-05-30, HCG-1010-30x-AH1 |         |            |
| Adapter    | Mini/M5 male                    |         | AH1, H1-MC |

960412

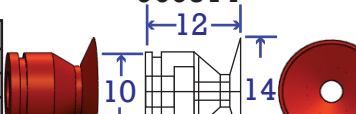

(Wt. : S - 0.6g, N - 0.7g, F - 1.1g)

| Cup $\phi$ | Material                        | Part#   | Reference  |
|------------|---------------------------------|---------|------------|
| 12mm       | Silicone                        | 960412S | VAPH-12C   |
|            | NBR                             | 960412N | VAPN-12C   |
|            | Fluorine                        | 960412F | VAPF-12C   |
| Holder     | H1/8-10-05-30, HCG-1010-30x-AH1 |         |            |
| Adapter    | Mini/M5 male                    |         | AH1, H1-MC |

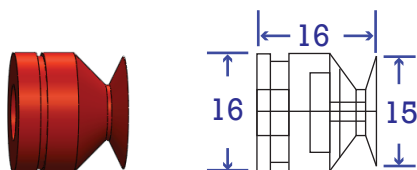

960514

(Wt. : S - 0.8g, N - 0.9g, F - 1.3g)

| Cup $\phi$ | Material                        | Part#   | Reference  |
|------------|---------------------------------|---------|------------|
| 14mm       | Silicone                        | 960514S | VAPH-14C   |
|            | NBR                             | 960514N | VAPN-14C   |
|            | Fluorine                        | 960514F | VAPF-14C   |
| Holder     | H1/8-10-05-30, HCG-1010-30x-AH1 |         |            |
| Adapter    | Mini/M5 male                    |         | AH1, H1-MC |

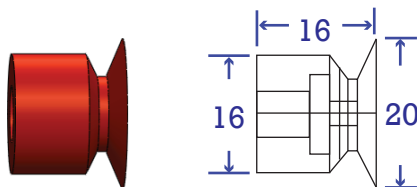

960615

(Wt. : S - 2.2g, N - 2.4g, F - 3.8g)

| Cup $\phi$ | Material                              | Part#   | Reference        |
|------------|---------------------------------------|---------|------------------|
| 15mm       | Silicone                              | 960615S | VAPH-15C         |
|            | NBR                                   | 960615N | VAPN-15C         |
|            | Fluorine                              | 960615F | VAPF-15C         |
| Holder     | H2/9-10/12/20-05-30, HCG-1010-30x-AH2 |         |                  |
| Adapter    | Small-M5, PT1/8 male                  |         | AH2, AH28, H2-MC |

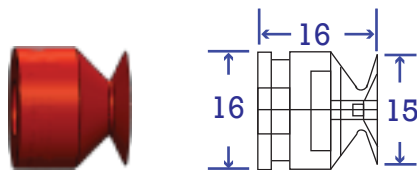

960720

(Wt. : S - 2.3g, N - 2.5g, F - 3.9g)

| Cup $\phi$ | Material                              | Part#   | Reference        |
|------------|---------------------------------------|---------|------------------|
| 20mm       | Silicone                              | 960720S | VAPH-20C         |
|            | NBR                                   | 960720N | VAPN-20C         |
|            | Fluorine                              | 960720F | VAPF-20C         |
| Holder     | H2/9-10/12/20-05-30, HCG-1010-30x-AH2 |         |                  |
| Adapter    | Small-M5, PT1/8 male                  |         | AH2, AH28, H2-MC |

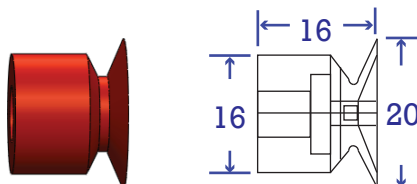

969015

(Wt. : S - 2.0g)

| Cup $\phi$ | Material                              | Part#   | Reference        |
|------------|---------------------------------------|---------|------------------|
| 15mm       | Silicone                              | 969015S | VAPH-15C-1       |
| Holder     | H2/9-10/12/20-05-30, HCG-1010-30x-AH2 |         |                  |
| Adapter    | Small-M5, PT1/8 male                  |         | AH2, AH28, H2-MC |

969020

(Wt. : S - 2.4g)

| Cup $\phi$ | Material                              | Part#   | Reference        |
|------------|---------------------------------------|---------|------------------|
| 20mm       | Silicone                              | 969020S | VAPH-20C-1       |
| Holder     | H2/9-10/12/20-05-30, HCG-1010-30x-AH2 |         |                  |
| Adapter    | Small-M5, PT1/8 male                  |         | AH2, AH28, H2-MC |
