WOMEN'S
81-1162S

MEN'S
81-1162M

ISO-9001
MANUFACTURED IN A
QUALITY SYSTEM CERTIFIED
FACILITY.

PPE Grippy™ Gloves are an all around tough glove that can reduce the number of different gloves you must keep on hand for various jobs. Grippy Gloves work hard but feel good. Nitrile coating on the palm gives a sure positive grip for applications such as handling molded parts, glass cartons or just doing general purpose maintenance. This nitrile coating extends the life of the glove. A precision blended knit of cotton and acrylic means coolness and comfort for the wearer.

Features

Precision-blended cotton-acrylic knit shell

Nitrile coating on palm

Knit construction, no seams

Versatility

Men's and Women's

Benefits

Can be either laundered or dry cleaned. Minimal shrinkage. Absorbs perspiration. Provides coolness and comfort.

Tough yet flexible. Long wearing. Provides a sure grip, good abrasion resistance and longer life.

Provides greater wearer comfort. Lessens hand fatigue.

Lower inventory costs, can replace a wide range of glove styles: from 8oz. import gloves to cheap clute leather palm gloves.

Universal sizes for men or women. Women's have a blue color coded wrist band line. Men's have a green color coded wrist band line.
