

UTILISHELF®

PORTABLE MAGNETIC UTILITY SHELVE

The UtiliShelf® provides a universal utility shelf for work on virtually anything you may be working on since the UtiliShelf® is able to attach itself to anything metal. You can set your tools on it while working or use it for a portable lunch table, to hold various items such as; nuts, bolts, fittings and connectors to name a few by use of the compartments integrated in the design.

**HOLDS UP
TO 30lbs**

The UtiliShelf® Model 1706 is made of Military Grade PC/ABS Plastic that is high impact, shock & scratch resistant. It can withstand harmful UV rays, and the elements. Designed so it can be folded up for easy storage and stand just like a briefcase when not in use. Mounts by means of 3 single directional 50 lb pull cup magnets which will not harm a laptop computer. They are shielded from the unit by the cup. The Model 1706 can hold up to 30lbs and is very durable for any work site. UtiliShelf® is 100% Made in the USA.
