SIMPLE GREEN® **CONCENTRATED ALL-PURPOSE CLEANER/DEGREASER/DEODORIZER**

Simple Green®

Concentrated All-Purpose Cleaner/Degreaser/Deodorizer

- Biodegradable and non-toxic • Non-abrasive and non-flammable
- Safer alternative to hazardous chemicals and solvents
- Exempt from OSHA and EPA special handling and personal protection requirements for hazardous materials.
- Carries the Safer Choice label, meets U.S. EPA Safer Product Standards

Concentrated, water-based cleaner/degreaser contains blends of synthetic, high-grade penetrants activated by cold/hot water. Custom dilute for specialized cleaning. For use in a broad range of applications including dip tanks. "Clear green" liquid has mild pH of 9.3 to 9.5 and a pleasant sassafras scent. Contains no petroleum distillates. Authorized by USDA for use in Federally inspected meat and poultry plants.

Simple Green's unique formulation goes far beyond chemicals, solvents and detergents through a process called Micro Particulate-Fractionalization (MPF™). MPF breaks down oil, grease and fats into increasingly smaller microscopic droplets. As these droplets become even smaller and more numerous until they are ultimately dissolved into the water.
