

LCD COLOR INSPECTION CAMERA

FOR INSPECTING BORES, HOLES, BARRELS, ETC.

PPE LCD Color Inspection Cameras provides an economical solution for inspecting deep holes, bores, barrels, molds, and other narrow cavities. View the image in detail on the 320 x 240 resolution 2.4" LCD screen or connect an external monitor for a larger view using the supplied video cable. The 79" flexible shafts features a water proof camera and LED lighting for viewing under almost any condition.
